

<b>Simulator Courses:</b>	<b>Session Dates</b>	<b>No. of Instructor Positions per Year</b>	<b>No. of Course Sessions per Year</b>	<b>Contact Person</b>
<b>Medical Student</b>				
1) Third-Year Perioperative Medicine Course				William Mclvor
Simulation Course Design Group	Fall	2		
Simulation Session Instructor (~ 4 hours)	Fall	10	72	
2) Fourth-Year Anesthesiology Elective Course				William Mclvor
Simulation Course Design Group		1		
Simulation Session Instructor (~ 4 hours)		2	10	
<b>Anesthesiology Residents</b>				
3) Anesthesia Orientation Program				
Simulation Course Design Group	Summer	1		William Mclvor
Simulation Session Instructor (~ 4 hours)	Fall	2	2	
4) Difficult-Airway Management Course				
Simulation Course Design Group	Fall	2		John Schaefer
Simulation Session Instructor (~ 4 hours)	Winter	8	26	
5) Fiberoptic Bronchoscopy Course				
Simulation Course Design Group	Winter	2		John Schaefer
Simulation Session Instructor (~ 4 hours)	Spring	8	26	
6) Thoracic Anesthesia Course				
Simulation Course Design Group	Winter	1		AJ Challasani
Simulation Session Instructor (~ 4 hours)	Spring	4	10	
7) Anesthesia Crisis Leadership Training Course				
Simulation Course Design Group	Winter	2		Theresa Gelzinis
Simulation Session Instructor (~ 4 hours)	Spring	5	20	
<b>Anesthesiology Continuing Medical Education</b>				
8) Difficult-Airway Management				
Simulation Course Design Group	Fall	2		John Schaefer
Simulation Session Instructor (~ 4 hours)	Winter	8	40	
9) Fiberoptic Bronchoscopy Course				
Simulation Course Design Group	Fall	2		John Schaefer
Simulation Session Instructor (~ 4 hours)	Winter	8	40	
10) Anesthesia Crisis Leadership Training Course				
Simulation Course Design Group	Fall	2		Theresa Gelzinis
Simulation Session Instructor (~ 4 hours)	Spring	5	4	
<b>Hospital Patient Safety Programs (Interdisciplinary)</b>				
<b>Starting this fall</b>				
11) Condition A & C Code Team Training (currently ongoing)				Michael DeVita
Simulation Course Design Group	year round	2		
Simulation Session Instructor (~ 4 hours)	year round	10	40	
12) Central Line Safety & Competency Certification				
Simulation Course Director	Summer	1		Michael Mohr
Simulation Course Design Group	Summer	2		
Simulation Session Instructor (~ 4 hours)	Fall	5	10	
13) Difficult-Airway Management for Critical Care Physicians				Michael DeVita
Simulation Course Design Group	Summer	2		
Simulation Session Instructor (~ 4 hours)	Fall	2	4	
14) Fiberoptic Bronchoscopy for Critical Care Physicians				Michael DeVita
Simulation Course Design Group	Summer	2		
Simulation Session Instructor (~ 4 hours)	Fall	2	4	
15) Difficult-Airway Management for the Emergency Medicine Physician				Ted Breckenridge
Simulation Course Design Group	Summer	2		
Simulation Session Instructor (~ 4 hours)	Fall	2	6	
16) Conscious Sedation for UPMC Physicians				John Schaefer
Simulation Course Design Group	Fall	2		
Simulation Session Instructor (~ 4 hours)	Spring	6	6	

**PLEASE NOTE: There are multiple opportunities available for publications, presentations, and grant work for those who are interested. Please contact John J. Schaefer, MD for information.**
